MEMORANDUM FOR: Director of Security

SUBJECT :

1. In my recent talk to the current career trainee class on 24 July Mr. talked to me after the session and expressed great interest in an assignment to Vientiane and perhaps working as a security officer. He expressed interest in trying to develop, even on his own time, some capability in to assist in his consideration for such an assignment. He seemed to be very bright and eager to work in this area and in the Security field.

2. If at all possible I would suggest his consideration for such an assignment and if you can, certainly put him into training on Agency time.
